Let us pray that God will send a massive Tsunami to totally devastate the North American continent with 1000-foot walls of water doing 500 mph -- even as islands in southern Asia have recently been laid waste, with but a small remnant surviving.

God Hates Fag America!

"And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great." Rev. 16:18.

On a huge state-of-the-art flagpole out front, lighted by night, Westboro Baptist Church flies the Canadian flag upside down atop the American flag, also upside down.

Upside down signifies distress. They've deeply corrupted themselves and have rebelled against the King. It is sinfully simplistic to speak of repentance for either Canada or America. It is too late for that. They have sinned away their days of grace and are now doomed.

Canada & America are Homo-Fascist regimes of Nazi terror!

Fags and dykes rule both nations and punish Gospel preachers with fines and imprisonment if they object.
